

### REMARKS

Claim 21 is amended to delete the salt names. This amendment is made for purposes of clarity since the original claim referred to "and physiological salts thereof" at the end of the claim. In addition, new claim 38 recites the hydrochloride and hydroformate salts of the compounds listed in claim 21. New claim 39 is directed to specific salts previously recited in claim 21. New claims 40-47 are directed to specific hydrochloride and/or hydroformate salt forms of certain compounds (see, e.g. Examples 34, 55, 67, and 68).

Finally, new claim 37 is directed to a method of treating inflammation. See page 54, lines 25-27 of the specification.

The Commissioner is hereby authorized to charge any fees associated with this response or credit any overpayment to Deposit Account No. 13-3402.
